## Register Your Vehicles!

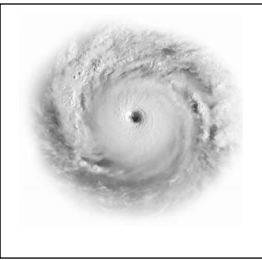

*Soon to Be a Fineable Offense in SDM!*

As a growing community we are experiencing a growth in the number of cars. Between residents with multiple vehicles, tenants, visitors and workers our streets are crowded and sometimes difficult to maneuver. To aid in identifying all vehicles and owners the Board has decided to institute several new parking related policies. One of which is **Registration of All Vehicles of Residents and Tenants.** These policies will be coming soon. Visit our website for more information! <https://SierraDelMarBoca.org>

## Sunpatiens Add Beautiful Color to Your Lawn

## Hurricane Preparedness

**It's still Hurricane Season - June 1<sup>st</sup> through November 30<sup>th</sup> - A few "New" Tips:**

1. Follow instructions that came with your Generator. Never run a generator in a closed Garage. Generators are the leading cause of accidental deaths by Inhalation of Carbon Dioxide.
2. Stay inside and away from downed wires, wait for news when it's safe to go outside.
3. Candles can cause Fires. Be extra careful... keep away from flammables & children's reach!!

Our community has an "Assistance" form for those individuals who may need special assistance for either preparing for or after a hurricane. Downloaded this from the community website: [SierraDelMarBoca.org](http://SierraDelMarBoca.org)

## PARKING Rules

Almost all our residents pay attention to our parking rules, but there are still a few more things everyone should pay attention to that will really enhance our community:

1. Please remember to check the signs at the entrances for street side parking. **EVEN** months you can park on the street side of **EVEN** addresses and **ODD** months you can park on the street side of **ODD** addresses.
2. Whenever possible, please use your garage and/or park in your driveway. That goes for your vendors and visitors too. If space is not available, use the designated cul de sac, open street (**except Sierra Blvd and Atrium Blvd**) and pool area parking spots. **See #7, Below.**
3. Pool parking is to be open for resident's use during the pool hours. Please do not park your car there if you are not using the pool or for extended days.
4. Except for dropping off passengers, Florida law prohibits a vehicle blocking a driveway. Yes. It applies to our "private" streets. So, please don't do it and make sure your visitors and vendors also do not block a driveway.
5. Please be a good neighbor and ensure that any of yours, your visitor's and your vendor's vehicles, are not parked on the grass. Although we try not to do, our docs do say that your car can be towed.
6. Remember, you are responsible for your guest's and your vendor's vehicles. Fines and towing fees can be expensive.
7. **Use our NEW Temporary and Visitor Parking Placards. Download them from the SDM Website (Under the Heading: Forms and Colors)**
